

POSITION DESCRIPTION

GARDENER - FULL TIME

A unique and exciting opportunity exists to join the team at Australia's largest rose farm. Our beautifully established two acre rose garden is the face of our brand for the many visitors who frequent our farm. It is also the venue for wedding ceremonies and functions throughout the year.

The successful applicant will be responsible for all maintenance and care of the display garden. They will possess a keen interest in gardening with a great sense of pride in their work. Previous experience with roses is desirable, but not necessary.

If tending to the roses sounds like your dream job then we'd love to hear from you.

Responsibilities:

- Weeding and edging of rose beds all year round
- Dead heading roses throughout flowering season
- Winter pruning of entire display garden
- Preparing & planting new garden beds when required
- Lawn mowing and whipper snipping
- Managing replacement rose plants, name plates etc
- Creating and implementing a gardening works program, including seasonal feeds, maintenance, watering, plantings etc.
- Initiating new garden design ideas, including consultation with management to keep the garden evolving
- Liaising with purchasing officer for products required to maintain the garden in a timely manner
- Liaising with production manager with regards to watering program and requirements throughout the year
- Ensuring gardens are prepared for any upcoming events
- Customer service when approached by visitors
- Gaining and maintaining knowledge about roses - general rose care, knowledge on specific varieties, products to use etc.

Applicants must have:

- Relevant horticulture qualifications and / or experience in a similar role
- Keen interest in gardening and garden design, along with a willingness to learn
- Good problem solving skills and a common sense approach to their role
- Good communication skills
- Ability to work alone or in a team environment

Requirements:

- Be a courteous team player and willing to learn
- Physically fit
- Able to use a ride-on mower, whipper snipper & other various light machinery
- Current drivers license

Applications close Monday 16th May 2022
